

**WELCOME TO THE PREVAL SPRAY LINE –
JUST'N THE NICK OF TIME NON-STOCK PROGRAM**

WHAT IS THE PREVAL JUST'N TIME NON-STOCK PROGRAM?

As you may know Preval offers the world's greatest portable spray line, and is now promoting a dropship program delivering the award winning 2012 sundry line, and more. Fill out the form attached and get approved immediately for dropshipping options. You will put the product pictures, descriptions, even videos on your website, solving your customers paint touch-up and refinish spray needs, and wait for an order. Once you receive an order, you will email or fax Preval with the customer's order information indicating this is a dropship order and we will in turn ship the product directly to your customer.

HOW WILL YOUR FIRM BENEFIT FROM PREVAL'S DROP SHIPPING?

There are many ways to benefit from drop shipping. Some of the benefits are as follows:

- Offer more to your customers! Deliver Preval Spray Line products online or via catalog and do not keep extra sku's and accessories in your inventory.
- Stay competitive and offer more. Set the retail price at whatever you want for significant profits.
- Test the market first. There are no minimum order requirements.
- Save money the smart way. You pay Preval only after your customer's order has shipped.

We need to collect some important information from you before we are able to begin our dropship ordering relationship. Once all of the questions below are "Completed" will we work directly with your team and submit all of our available products and product information for all non-stock Preval items. Throughout the setup process, we will make available to you our entire preval product line for your website or catalog pages. Should you need any more guidance through this process, or have any concerns, please "Contact Us" at sales@preval.com.

- Payments will be made according to our payment terms and pricing will be separate from in-stock inventory prices.
- Freight in-bound to your location or to the customer direct will be paid as: prepaid and add or collect – please include UPS number with all orders. Ground shipments only available anywhere in the Continental USA. International shipping is available on a case by case basis.
- Preval will provide all documents, photos, and descriptions that we think will be useful to you, both during the setup process and beyond. Product pictures will be sent either via email, or ftp and downloadable for ease of access on your end.
